Manuscript ID	Paper or Article Title	List of Authors name	Year of Publication	Source, Volume, issue and page numbers	County of Publication- Author 1 country of publication
00001-53277	Non-Deterministic Finite Automata to Deterministic Finite Automata Conversion by Subset Construction Method using Python		2022	International Journal of Computer Sciences and Engineering 10, 1, 1 - 5	India
00001-53287	Study of e-Tendering Solution Implemented by Government of Goa		2022	International Journal of Computer Sciences and Engineering 10, 1, 6 - 12	India
00001-53298	Simulation and Testing of Deterministic Finite Automata Machine		2022	International Journal of Computer Sciences and Engineering 10, 1, 13 - 17	India
00001-53304	IMDb Movie Data Classification using Voting Classifier for Sentiment Analysis		2022	International Journal of Computer Sciences and Engineering 10, 1, 18 - 23	India
00001-53309	A Comprehensive study on Internet of Things Applications and Challenges		2022	International Journal of Computer Sciences and Engineering 10, 1, 24 - 27	India
00001-53312	Overview of the Predictive Data Mining Techniques		2022	International Journal of Computer Sciences and Engineering 10, 1, 28 - 36	India
00001-53319	Analysis and Solutions of Silent Heart Attack Using Python		2022	International Journal of Computer Sciences and Engineering 10, 1, 37 - 40	India
00001-53328	SecurityTAG`S		2022	International Journal of Computer Sciences and Engineering 10, 1, 41 - 44	India
00001-53334	WCE Images Polyp Segmentation System Using Convolutional Neural Network (CNN) With Stochastic Gradient Descent Optimizer		2022	International Journal of Computer Sciences and Engineering 10, 2, 1 - 6	India
00001-53340	Automatic Composition of Machine Learning Models as Web Services across Data Sets		2022	International Journal of Computer Sciences and Engineering 10, 2, 7 - 10	India
00001-53349	Education Workspace Application (EWA) Mobile App for Managing the Students Information Developed By Java		2022	International Journal of Computer Sciences and Engineering 10, 2, 11 - 16	India
00001-53355	Voice Recognition Powered Women`s Safety App		2022	International Journal of Computer Sciences and Engineering 10, 2, 17 - 21	India

**Journal Name : International Journal of Computer Sciences and Engineering

00001-53362	Advancement of the Greenhouse with the Usage of a Wireless Sensor Network with Optimised Routing	2022	International Journal of Computer Sciences and Engineering 10, 2, 22 - 25	India
00001-53367	Analysis of Stock Market Prediction by using PSO Algorithm Optimizing LS-SVM	2022	International Journal of Computer Sciences and Engineering 10, 2, 26 - 30	India
00001-53373	Clinical Decision Support System for Treatment and Management strategies of COPD	2022	International Journal of Computer Sciences and Engineering 10, 2, 31 - 34	India
00001-53378	A Survey on Analysis of Crime Detection Techniques Using Machine Learning	2022	International Journal of Computer Sciences and Engineering 10, 2, 35 - 40	India
00001-53383	Cursor Control through Eye movement	2022	International Journal of Computer Sciences and Engineering 10, 2, 41 - 44	India
00001-53386	Data Mining Techniques for Rainfall Data Using WEKA	2022	International Journal of Computer Sciences and Engineering 10, 2, 45 - 48	India
00001-53416	Airlines Ticket Price Prediction Using Machine learning approach	2022	International Journal of Computer Sciences and Engineering 10, 2, 49 - 53	India
00001-53429	Llaima`s Volcano Seismic Event Classification Using The Cross-Correlation Function	2022	International Journal of Computer Sciences and Engineering 10, 3, 1 - 7	Morocco
00001-53436	Modelling a Conversational AI Chatbot for Academic Websites	2022	International Journal of Computer Sciences and Engineering 10, 3, 8 - 12	India
00001-53440	The Role of Government in Disaster Risk Reduction (DRR) in the Coastal Areas of Bangladesh	2022	International Journal of Computer Sciences and Engineering 10, 3, 13 - 18	Bangladesh
00001-53449	Effect on Compressive Strength of Concrete on Partial Replacement of Cement by Marble Dust and FlyAsh	2022	International Journal of Computer Sciences and Engineering 10, 3, 10 - 21	India
00001-53456	A Survey on Reversible Image Steganography in Telemedicine	2022	International Journal of Computer Sciences and Engineering 10, 3, 22 - 26	India
00001-53461	A Comparative Study of LSB based Statistical Steganalysis and Gray Level Co-Occurrence Matrix based Blind Image Steganalysis	2022	International Journal of Computer Sciences and Engineering 10, 4, 1 - 5	India
00001-53465	A Review on Comparison of Human Bite Marks in Forensic Images	2022	International Journal of Computer Sciences and Engineering 10, 4, 6 - 10	India
00001-53470	Feature Selection and Ensemble Method Analysis for Breast Cancer Datasets	2022	International Journal of Computer Sciences and Engineering 10, 4, 11 - 15	India
00001-53477	An Online Predictive System for Mapping Visual Scenes of Fraudulent Behaviour	2022	International Journal of Computer Sciences and Engineering 10, 4, 16 - 20	Nigeria
00001-53484	Data Mining and Phylogenetic Analysis of NifH Protein of Azospirillum strain among Nitrogen-fixing Bacteria using Bioinformatics Tools	2021	International Journal of Computer Sciences and Engineering 9, 1, 1 - 10	India
00001-53490	Real Time Drowsy Driver Monitoring and Detection System Using Deep Learning Based Behavioural Approach	2021	International Journal of Computer Sciences and Engineering 9, 1, 11 - 21	Nigeria

**Journal Name : International Journal of Computer Sciences and Engineering
(IJCSE)**

00001-53497	Automatic Skin Cancer Detection using GLCM & Support Vector Machine in Digital Image Processing	2021	International Journal of Computer Sciences and Engineering 9, 1, 22 - 26	India
00001-53501	Performance of Machine Learning Techniques in the Prevention of Financial Frauds	2021	International Journal of Computer Sciences and Engineering 9, 1, 27 - 29	India
00001-53503	Multi-Model Analysis of Mammograms	2021	International Journal of Computer Sciences and Engineering 9, 1, 30 - 35	India
00001-53518	⊠ Graceful Labeling In the Perspective of Graph Operations on Bistar	2021	International Journal of Computer Sciences and Engineering 9, 1, 36 - 39	India
00001-53522	Comparative Study of Existing Hierarchical Based Routing Protocols for WSN	2021	International Journal of Computer Sciences and Engineering 9, 1, 40 - 43	India
00001-53537	Real-Time Human Detection in Video Surveillance	2021	International Journal of Computer Sciences and Engineering 9, 1, 44 - 50	India
00001-53562	eGovernment Integration Framework for Fragmented Systems	2021	International Journal of Computer Sciences and Engineering 9, 1, 51 - 55	India
00001-53565	Stock Market Trend Prediction using Technical Indicators and Deep Learning Methods	2021	International Journal of Computer Sciences and Engineering 9, 2, 1 - 4	India
00001-53573	Human Activity Recognition Using Smartphones Sensors for Ambient Assisted Living	2021	International Journal of Computer Sciences and Engineering 9, 2, 5 - 11	Nigeria
00001-53577	IOT Based Smart Irrigation System using Cisco Packet Tracer	2021	International Journal of Computer Sciences and Engineering 9, 2, 12 - 16	India
00001-53582	Performance Analysis of Convolutional Network System for Heart Disease Prediction	2021	International Journal of Computer Sciences and Engineering 9, 2, 17 - 22	India
00001-53588	Biometric Finger Knuckleprint based Authentication System using Sobel Edge Detection & Emboss	2021	International Journal of Computer Sciences and Engineering 9, 2, 23 - 28	India
00001-53593	Fishers Filtered Gravitational Rule Selection and Weighted Rank Based Genetic Algorithm for Association Rule Hiding to Preserve Privacy in Transactional Database	2021	International Journal of Computer Sciences and Engineering 9, 2, 29 - 38	India
00001-53600	Enhance Security of AES Algorithm Based on S-Box	2021	International Journal of Computer Sciences and Engineering 9, 2, 39 - 45	Yemen
00001-53607	Underwater Image Enhancement using Image Processing Techniques: A Review	2021	International Journal of Computer Sciences and Engineering 9, 2, 46 - 52	India
00001-53614	An Overview of the State of Machine Learning in Bug Report Summarization	2021	International Journal of Computer Sciences and Engineering 9, 2, 53 - 56	India
00001-53618	Cloud Computing: Models, Issues and Challenges	2021	International Journal of Computer Sciences and Engineering 9, 2, 57 - 59	India
00001-53624	Online Voting System Based on Blockchain	2021	International Journal of Computer Sciences and Engineering 9, 2, 60 - 64	India

**Journal Name : International Journal of Computer Sciences and Engineering
(IJCSE)**

00001-53628	An Improved DSR Routing Algorithm to Reduce Delay and Energy Consumption in Mobile Ad Hoc Networks	2021	International Journal of Computer Sciences and Engineering 9, 3, 1 - 6	India
00001-53633	Fraud Detection by the Use of Correlation Based Tree Formation Approach	2021	International Journal of Computer Sciences and Engineering 9, 3, 7 - 12	India
00001-53655	Correlation Based Mechanism for the Detection of DDOS Attack	2021	International Journal of Computer Sciences and Engineering 9, 3, 18 - 22	India
00001-53665	IoT based Accident Prevention system on High Altitude integrated with Android Application enabled with emergency Service Facility	2021	International Journal of Computer Sciences and Engineering 9, 3, 23 - 27	India
00001-53676	A Survey on Aneka Cloud Application and Integration with Windows Azure	2021	International Journal of Computer Sciences and Engineering 9, 3, 28 - 33	India
00001-53685	MSVM Based Technique Used To Detect Diabetic Retinopathy at Early Stage	2021	International Journal of Computer Sciences and Engineering 9, 3, 34 - 40	India
00001-53700	Different Types of Multi Class Classification Algorithms: A Study	2021	International Journal of Computer Sciences and Engineering 9, 3, 41 - 44	India
00001-53706	A Review on Network Layer Attacks in Wireless Sensor Networks	2021	International Journal of Computer Sciences and Engineering 9, 3, 45 - 48	India
00001-53717	Data Centric Security Approach For Cloud Computing	2021	International Journal of Computer Sciences and Engineering 9, 3, 49 - 52	India
00001-53724	An Integrated Mobile and Web Based Approach for Promoting Antenatal and Postnatal Care Patronages and Reduction of Maternal and Neonatal Mortality Rates: A Case Study of Yobe State	2021	International Journal of Computer Sciences and Engineering 9, 4, 1 - 6	Nigeria
00001-53737	Predicting Personality from Micro-Blogs using Supervised Machine Learning Models	2021	International Journal of Computer Sciences and Engineering 9, 4, 7 - 14	India
00001-53743	Text Similarity on Native Languages Documents	2021	International Journal of Computer Sciences and Engineering 9, 4, 15 - 19	India
00001-53748	A New Uncertainty Measure and Application to Image Processing	2021	International Journal of Computer Sciences and Engineering 9, 4, 20 - 24	India
00001-53751	Enhancing Cyber Security in Modern IOT Using Intrusion Prevention Algorithm for IOT	2021	International Journal of Computer Sciences and Engineering 9, 4, 25 - 29	India
00001-53758	Review on SR- Tech Solution	2021	International Journal of Computer Sciences and Engineering 9, 4, 30 - 34	India
00001-53764	Image Segmentation In The Framework of Deep Learning - A Comprehensive Survey	2021	International Journal of Computer Sciences and Engineering 9, 4, 35 - 40	India
00001-53774	Survey on an Intrusion Detection Systems Within Cloud Environment	2021	International Journal of Computer Sciences and Engineering 9, 4, 41 - 55	Yemen
00001-53782	A Literature Survey on Security Issues in Next Gen WSN	2021	International Journal of Computer	India

			Sciences and Engineering 9, 4, 56 - 59	
00001-53791	Mutated Random grid Approach to Share Secret Image into Visually Pleasing Shares	2021	International Journal of Computer Sciences and Engineering 9, 5, 1 - 6	India
00001-53796	Identification of Brain Tumor Using Projection Pursuit Bivariate Multilayer Perceptred Classification	2021	International Journal of Computer Sciences and Engineering 9, 5, 7 - 14	India
00001-53804	Face Recognition & AI Based Smart Attendance Monitoring System	2021	9, 5, 15 - 21	India
00001-53809	Enhanced Security Model for Information and Online Transaction Processing System Using Mandatory Access Control (MAC) Mechanism	2021	International Journal of Computer Sciences and Engineering 9, 5, 22 - 30	Nigeria
00001-53818	Food Image Classification Using Machine Learning Techniques: A Review	2021	International Journal of Computer Sciences and Engineering 9, 5, 31 - 36	India
00001-53823	Image classification Method in detecting Lungs Cancer using CT images: A Review	2021	International Journal of Computer Sciences and Engineering 9, 5, 37 - 42	India
00001-53831	Sepsis Detection in newborn infants - Diagnosis using fuzzy inference system- A Review	2021	International Journal of Computer Sciences and Engineering 9, 5, 43 - 46	India
00001-53835	Privacy Protection - Emerging Issues and Technological Responses	2021	International Journal of Computer Sciences and Engineering 9, 5, 47 - 54	Finland
00001-53845	Resource Utilization Using PowerVC Based Auto-Provisioning	2021	International Journal of Computer Sciences and Engineering 9, 5, 55 - 60	India
00001-53857	Application of Cross-Correlation to Seismic Signal Database of Agadir	2021	International Journal of Computer Sciences and Engineering 9, 6, 1 - 8	Morocco
00001-53867	Image Color Segmentation With Kdtree Library For Car Color Identity Classification	2021	International Journal of Computer Sciences and Engineering 9, 6, 9 - 12	Indonesia
00001-53878	Anomalous Traffic Detection System for Enterprise using Elastic stack with Machine Learning	2021	International Journal of Computer Sciences and Engineering 9, 6, 13 - 18	India
00001-53892	Weather Prediction Using Indian Almanac Rules	2021	International Journal of Computer Sciences and Engineering 9, 6, 19 - 24	India
00001-53902	The Development of Innovative Hybrid Stove with Solar and Biogas for Rural Area	2021	International Journal of Computer Sciences and Engineering 9, 6, 25 - 28	India
00001-53911	Safety in Kitchen Using IOT	2021	International Journal of Computer Sciences and Engineering 9, 6, 29 - 32	India
00001-53916	Automation Tool For Customer Relationship Management Applications	2021	International Journal of Computer Sciences and Engineering 9, 6, 33 - 36	India
00001-53925	Development of Security Model for Protecting Data in the Cloud Using 3-TIER Authentication	2021	International Journal of Computer Sciences and Engineering 9, 6, 37 - 44	Nigeria
00001-53933	Test Automation Framework for Content Delivery Network	2021	International Journal of Computer Sciences and Engineering 9, 6, 45 - 48	India

**Journal Name : International Journal of Computer Sciences and Engineering

00001-53938	Covid-19 Detection from Chest X-Ray using ACGAN and RESNET	2021	International Journal of Computer Sciences and Engineering 9, 6, 49 - 53	India
00001-53945	Energy Generation From Footsteps Using Piezoelectric Sensors	2021	International Journal of Computer Sciences and Engineering 9, 6, 54 - 58	India
00001-53953	Uncertainty Handling In Big Data Analytics: Survey, Opportunities and Challenges	2021	International Journal of Computer Sciences and Engineering 9, 6, 59 - 63	India
00001-53957	Review of Chronic Inflammation and long term effects on health using Machine Learning Algorithms	2021	International Journal of Computer Sciences and Engineering 9, 6, 64 - 71	India
00001-53964	Review Paper On Image Inpainting Techniques	2021	International Journal of Computer Sciences and Engineering 9, 6, 72 - 76	India
00001-53967	Sentiment Analysis with Machine Learning Techniques and Improved J48 Decision Tree Technique	2021	International Journal of Computer Sciences and Engineering 9, 6, 77 - 82	India
00001-53976	Hybrid Quantum - Classical AI based approach to solve the Traveling Tournament Problem	2021	International Journal of Computer Sciences and Engineering 9, 6, 83 - 90	India
00001-53986	A Novel Hybrid Symmetric Key Encryption Algorithm for Telugu Script	2021	International Journal of Computer Sciences and Engineering 9, 6, 91 - 96	India
00001-53995	Crime Analysis and Prediction Model Using Data Mining and Machine Learning Techniques: Comparative Analysis	2021	International Journal of Computer Sciences and Engineering 9, 6, 97 - 104	India
00001-54011	Dynamic Information Validation Scheme in Internet of Things: Software Agent based Approach	2021	International Journal of Computer Sciences and Engineering 9, 7, 1 - 10	India
00001-54015	Food Image Classification Using Deep Learning Techniques	2021	International Journal of Computer Sciences and Engineering 9, 7, 11 - 15	India
00001-54025	KNN and Decision Tree Model to Predict Values in Amount of One Pound Table	2021	International Journal of Computer Sciences and Engineering 9, 7, 16 - 21	Nigeria
00001-54038	Spammer Detection and Fake User Identification in E-Commerce Site	2021	International Journal of Computer Sciences and Engineering 9, 7, 22 - 26	India
00001-54049	Comparative Study between Greedy and Genetic Algorithms in Optimal Cellular Masts Hoisting Over Population Coverage	2021	International Journal of Computer Sciences and Engineering 9, 7, 26 - 34	Nigeria
00001-54052	Random Number Generator with Long Cycle Based on Memory Cells	2021	International Journal of Computer Sciences and Engineering 9, 7, 35 - 40	Yemen
00001-54058	Design of Chatbot System for College Website	2021	International Journal of Computer Sciences and Engineering 9, 7, 41 - 45	India
00001-54096	Female Security System Using IoT and Mobile Computing - FeSecure	2021	International Journal of Computer Sciences and Engineering 9, 8, 1 - 6	India
00001-54107	Development of a Smart Home Control System	2021	International Journal of Computer Sciences and Engineering 9, 8, 7 - 20	Nigeria

**Journal Name : International Journal of Computer Sciences and Engineering
