

Scope Database Journal Indexing & Citation Analysis

Journal Name : International Journal of Scientific Research in Network Security and Communication (IJSRNSC)					
Coverage Period: 2018-2022					
Total No of Papers Indexed:102					
ISSN Online 2321 - 3256					
ISSN Print -					
Source Link: https://sdbindex.com/Sourceid/00000519					
Website: https://sdbindex.com					
Manuscript ID	Paper or Article Title	List of Authors name	Year of Publication	Source, Volume, issue and page numbers	County of Publication- Author 1 country of publication
00001-54538	Provide a Dynamic Routing Algorithm for MPLS Networks Using Fuzzy Filtering Approach		2021	International Journal of Scientific Research in Network Security and Communication 9, 1, 1 - 7	Iran
00001-54549	Multi-Level and Mutual Log Integrity Preservation Approach for Cloud Forensics using Public Key Infrastructure		2021	International Journal of Scientific Research in Network Security and Communication 9, 1, 8 - 16	India
00001-54555	A Secure Light Weight Authentication Protocol for Wireless Sensor Network in Internet of Things		2021	International Journal of Scientific Research in Network Security and Communication 9, 1, 17 - 19	India
00001-54563	An efficient and secure ID based Asymmetric Key Management Scheme for Dynamic Groups		2021	International Journal of Scientific Research in Network Security and Communication 9, 2, 1 - 4	India
00001-54568	Providing a Web Recommender System Using Markov Chains and Registration Files Structure		2021	International Journal of Scientific Research in Network Security and Communication 9, 3, 1 - 8	Iran
00001-54576	Design of an IoT-based management and monitoring system for intelligent irrigation		2021	International Journal of Scientific Research in Network Security and Communication 9, 3, 9 - 15	Iran
00001-54583	Diagnosis of Diabetes Using Bee Colony Algorithm and Fuzzy Decision Tree		2021	International Journal of Scientific Research in Network Security and Communication 9, 3, 16 - 21	Iran
00001-54587	Optimization of Sentiment Analysis Methods via Machine Learning Algorithms		2021	International Journal of Scientific Research in Network Security and Communication 9, 4, 1 - 6	India
00001-54599	An Audit of Indian Clinical Laboratories` websites: Analysis of Optimization Suitability for Search Engines and Digital Marketing		2021	International Journal of Scientific Research in Network Security and Communication 9, 5, 1 - 6	India
00001-54609	Application of Shell Model Calculations with Modified Surface Delta Interaction For the Two Nuclei and		2022	International Journal of Scientific Research in Network Security and Communication 10, 1, 1 - 5	Syrian Arab Republic
00001-54616	Real-Time Monitoring and Smart Transformer Protection by Using IoT		2022	International Journal of Scientific Research in Network Security and Communication 10, 1, 6 - 10	India
00001-54623	Air Quality Measurement: Digital Dashboard Using Smartphone		2022	International Journal of Scientific Research in Network Security and Communication 10, 1, 11 -	India

00001-54630	HARQ Scheme for different MCS users over LTE and LTE-Advanced Networks	2022	International Journal of Scientific Research in Network Security and Communication 10, 2, 1 - 5	India
00001-54636	Digital Number System Calculator Using Intel Atom Kit	2022	International Journal of Scientific Research in Network Security and Communication 10, 2, 6 - 9	India
00001-54641	Using Knowledge Discovery to Enhance Classification Techniques for Detect Malaria-Infected Red Blood Cells	2020	International Journal of Scientific Research in Network Security and Communication 8, 1, 1 - 6	Iraq
00001-54648	An Improvement of Minimum Variance Distortionless Response Filter	2020	International Journal of Scientific Research in Network Security and Communication 8, 1, 7 - 9	Russia
00001-54650	Congestion Aware Reverse AODV Routing Protocol for MANET	2020	International Journal of Scientific Research in Network Security and Communication 8, 1, 10 - 13	India
00001-54660	Evaluation of `India against Cancer` Web Portal Using Environmental Scan and Google Analytics	2020	International Journal of Scientific Research in Network Security and Communication 8, 1, 14 - 20	India
00001-54667	Smart Transformer Protection Unit	2020	International Journal of Scientific Research in Network Security and Communication 8, 1, 21 - 24	India
00001-54672	Underground Cable Fault Detection System by Using IoT	2020	International Journal of Scientific Research in Network Security and Communication 8, 1, 25 - 28	India
00001-54684	Reduce Impact Blackhole Attack in AODV Protocol	2020	International Journal of Scientific Research in Network Security and Communication 8, 2, 1 - 7	
00001-54688	Queuing System on Service Interruption and Standby Server	2020	International Journal of Scientific Research in Network Security and Communication 8, 2, 8 - 12	
00001-54691	Network Traffic Control Using AI	2020	International Journal of Scientific Research in Network Security and Communication 8, 2, 13 - 21	
00001-54693	A Voice Signal Interpreter using Machine Learning Techniques	2020	International Journal of Scientific Research in Network Security and Communication 8, 2, 22 - 27	
00001-54696	Birds` Eye View on Mobile Number Portability	2020	International Journal of Scientific Research in Network Security and Communication 8, 2, 28 - 35	
00001-54708	A Secured Data against Attacks in Intrusion Detection System with Dynamic Source Routing Protocol Using Counter Measure Selection Algorithm	2020	International Journal of Scientific Research in Network Security and Communication 8, 3, 1 - 7	India
00001-54711	Performance of Protocols in Communication	2020	International Journal of Scientific Research in Network Security and Communication 8, 3, 8 - 11	India
00001-54713	Design & Implementation of Triple play service over Optical Fiber Cable	2020	International Journal of Scientific Research in Network Security and Communication 8, 3, 12 - 21	India
00001-54718	Waveform Generation Using Harmonics	2020	International Journal of Scientific Research in Network Security and Communication 8, 3, 22 - 25	India
00001-54721	Smart Parking Application Using Deep Learning Framework	2020	International Journal of Scientific Research in	India

Journal Name : International Journal of Scientific Research in Network Security and Communication (IJSRNSC)

				Network Security and Communication 8, 4, 1 - 5	
00001-54725	Impact of COVID-19 Pandemic Lockdown on Mental Well-Being amongst Individuals in Society	2020	International Journal of Scientific Research in Network Security and Communication 8, 4, 6 - 9	India	
00001-54728	A Novel Based Approach to Detect and Take Action Against Network Intrusion in Virtual Machine Network System	2020	International Journal of Scientific Research in Network Security and Communication 8, 4, 10 - 13	India	
00001-54735	Analysis of Rumor Spreading in Social Networks using Combination of SIR, SIHR and Autoencoder Models	2020	International Journal of Scientific Research in Network Security and Communication 8, 5, 1 - 6	Iran	
00001-54741	Study on IoT Architecture, Application Protocol and Energy needs	2020	International Journal of Scientific Research in Network Security and Communication 8, 5, 7 - 12	India	
00001-54747	Wireless Transmission of Solar Generated Power	2020	International Journal of Scientific Research in Network Security and Communication 8, 5, 13 - 15	India	
00001-54754	Development of an India-Specific Cancer Web Portal: An Educational Tool for Cancer Awareness and Community Engagement	2020	International Journal of Scientific Research in Network Security and Communication 8, 5, 16 - 24	India	
00001-54759	Solving the Workshop Production Planning Problem Using the MetaHeuristic Algorithm	2020	International Journal of Scientific Research in Network Security and Communication 8, 6, 1 - 6	Iran	
00001-54764	Statistical Modeling of Covid 19 Outbreak in India: A Comparative and Predictive Analysis of Various Modeling Strategies	2020	International Journal of Scientific Research in Network Security and Communication 8, 6, 7 - 10	India	
00001-54770	Planning Production Agenda for Deteriorating Items with Time Exponential-Proportional Demand	2020	International Journal of Scientific Research in Network Security and Communication 8, 6, 11 - 15	India	
00001-54775	Ceramic Tool Condition Monitoring in Machining of Inconel 718	2019	International Journal of Scientific Research in Network Security and Communication 7, 1, 1 - 9	India	
00001-54779	Data Security by Steganography: A Review	2019	International Journal of Scientific Research in Network Security and Communication 7, 1, 10 - 12	India	
00001-54783	Analysis of Cloud Security, Performance, Scalability and Availability (SPSA)	2019	International Journal of Scientific Research in Network Security and Communication 7, 1, 13 - 15	India	
00001-54795	Analysis of Various Techniques for Audio Steganography in Data Security	2019	International Journal of Scientific Research in Network Security and Communication 7, 2, 1 - 5	India	
00001-54799	Data Mining: A Distinctive Approach to CRM	2019	International Journal of Scientific Research in Network Security and Communication 7, 2, 6 - 10	India	
00001-54803	Data Mining tools and challenges for current market trends-A Review	2019	International Journal of Scientific Research in Network Security and Communication 7, 2, 11 - 14	India	
00001-54809	Load Forecasting Algorithms with Simulation & Coding	2019	International Journal of Scientific Research in Network Security and Communication 7, 2, 15 - 20	India	
00001-54820	A Critical Analysis on Encryption Techniques used for Data Security in Cloud Computing and IOT (Internet of Things) based Smart cloud storage System: A Survey	2019	International Journal of Scientific Research in Network Security and Communication 7, 2, 21 - 25	India	

Journal Name : International Journal of Scientific Research in Network Security and Communication (IJSRNSC)

00001-54835	Detection of Microaneurysm using Machine Learning Techniques	2019	International Journal of Scientific Research in Network Security and Communication 7, 3, 1 - 6	India
00001-54842	Security in Internet of Things (IoT) Hashing Cryptographic Functions	2019	International Journal of Scientific Research in Network Security and Communication 7, 3, 7 - 11	India
00001-54850	A Proposed Model for Enhanced Security against Key Reinstallation Attack on Wireless Networks	2019	International Journal of Scientific Research in Network Security and Communication 7, 3, 21 - 27	Nigeria
00001-54857	Design and Analysis of Pattern Reconfigurable Dual Band MIMO Antenna using 5G Smartphone Application	2019	International Journal of Scientific Research in Network Security and Communication 7, 3, 28 - 30	India
00001-54861	Machine Learning - A New Paradigm of AI	2019	International Journal of Scientific Research in Network Security and Communication 7, 3, 31 - 32	India
00001-54865	QoS Parameters for Cloud Using Swarm Optimization Dynamic Load Balancing Algorithm	2019	International Journal of Scientific Research in Network Security and Communication 7, 3, 33 - 39	India
00001-54870	Implementation of Raspberry functionality with RFID	2019	International Journal of Scientific Research in Network Security and Communication 7, 3, 40 - 42	India
00001-54880	Cyclone and Earthquake Recognition and Estimation using HSV Colour Segmentation and Clustering	2019	International Journal of Scientific Research in Network Security and Communication 7, 4, 8 - 20	India
00001-54885	An Approach of Detecting and Elimination of Black Hole Attack in AODV Based Mobile Ad-hoc Network (MANET) Based on MESS Network	2019	International Journal of Scientific Research in Network Security and Communication 7, 4, 21 - 25	India
00001-54896	Assessment on different tools used for Simulation of routing for Low power and lossy Networks(RPL)	2019	International Journal of Scientific Research in Network Security and Communication 7, 4, 26 - 32	India
00001-54899	Link Prediction in Social Networks Using the Extraction of Graph Topological Features	2019	International Journal of Scientific Research in Network Security and Communication 7, 5, 1 - 7	Iran
00001-54909	Communication and Optimization for Satellite Attitudes Using Proportional-Integral-Derivative Controller	2019	International Journal of Scientific Research in Network Security and Communication 7, 6, 1 - 6	India
00001-54910	Emerging Cyber Security Threats in Organization	2019	International Journal of Scientific Research in Network Security and Communication 7, 6, 7 - 10	Ethiopia
00001-54915	Handover Decision to Improve the Performance of the Communication System	2019	International Journal of Scientific Research in Network Security and Communication 7, 6, 11 - 15	India
00001-54920	Relay Selection Algorithm for IPTV based Services	2018	International Journal of Scientific Research in Network Security and Communication 6, 1, 1 - 6	India
00001-54931	Speech Features Analysis and Biometric Person Identification in Multilingual Environment	2018	International Journal of Scientific Research in Network Security and Communication 6, 1, 7 - 11	India
00001-54934	Modular Encryption Algorithm for Secure Data Transmission	2018	International Journal of Scientific Research in Network Security and Communication 6, 1, 12 - 22	India
00001-54949	A Survey on Security Provided by Multi-Clouds in Cloud Computing	2018	International Journal of Scientific Research in Network Security and Communication 6, 1, 23 - 27	India

Journal Name : International Journal of Scientific Research in Network Security and Communication (IJSRNSC)

00001-54954	DTMF Based Home Automation Without using Microcontroller	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 1 - 4	India
00001-54959	Cloud Forensics: An Overall Research Perspective	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 5 - 10	India
00001-54969	Autonomous PHR Sharing: A Patient Centric Scalable and Flexible e-Healthcare Framework	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 11 - 14	India
00001-54976	Attacks on Cloud Data: A Big Security Issue	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 15 - 18	India
00001-54989	A Comparative Analysis of Trust Models in Cloud Computing	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 19 - 23	India
00001-54992	Open Source Software: A Prominent Requirement of Information Technology	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 24 - 29	India
00001-54996	Significance of ISO/IEC 27001 in the Implementation of Governance, Risk and Compliance	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 30 - 33	India
00001-55005	IOT Survey: The Phase Changer in Healthcare Industry	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 34 - 39	India
00001-55030	A Study on Current Challenging Issues and Optimal Methods for Video Streaming over Heterogenous Wireless Network	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 40 - 44	India
00001-55040	Honeypots: Virtual Network Intrusion Monitoring System	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 45 - 49	India
00001-55050	Prediction Model for Under-Graduating Student`s Salary Using Data Mining Techniques	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 50 - 53	India
00001-55054	The Quantum Key Distribution, Attenuation and Propagation over Ocean Surface for Various Naval Applications	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 54 - 61	India
00001-55065	A Critical Study on RFID	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 62 - 65	India
00001-55071	A Review of Vulnerabilities and Attacks in Mobile Ad-Hoc Network	2018	International Journal of Scientific Research in Network Security and Communication 6, 2, 66 - 69	India
00001-55081	Interactive Clothing based on IoT using QR code and Mobile Application	2018	International Journal of Scientific Research in Network Security and Communication 6, 6, 1 - 4	India
00001-55105	Online Garbage Monitoring System Using Arduino and LabVIEW	2018	International Journal of Scientific Research in Network Security and Communication 6, 6, 5 - 9	India
00001-55114	An Electronic Prescription System, Enhancement of Safety and Quality of Traditional Prescription System	2018	International Journal of Scientific Research in Network Security and Communication 6, 6, 10 - 13	India
00001-55126	Efficiency of Data Mining Algorithms Used In Agnostic Data Analytics Insight Tools	2018	International Journal of Scientific Research in Network Security and Communication 6, 6, 14 - 18	India

Journal Name : International Journal of Scientific Research in Network Security and Communication (IJSRNSC)

00001-55135	Sensing of Ground Fault in Bipolar LVDC Grid	2018	International Journal of Scientific Research in Network Security and Communication 6, 6, 19 - 24	India
00001-55148	Alive Persons in War Fields and Azardous Areas	2018	International Journal of Scientific Research in Network Security and Communication 6, 6, 25 - 27	India
00001-55158	An Expert Forensic Investigation System for Detecting Malicious Attacks and Identifying Attackers in Cloud Environment	2018	International Journal of Scientific Research in Network Security and Communication 6, 5, 1 - 26	India
00001-55171	Hand-Talk Assistive Technology for the Dumb	2018	International Journal of Scientific Research in Network Security and Communication 6, 5, 27 - 31	India
00001-55202	A Review: BER Performance Analysis of OFDM system using ReedSolomon Codes	2018	International Journal of Scientific Research in Network Security and Communication 6, 5, 47 - 50	India
00001-55212	Security for Digital Payments: An Update	2018	International Journal of Scientific Research in Network Security and Communication 6, 5, 51 - 54	India
00001-55227	Evaluating the Performance of TCP over Routing Protocols in MANETs Using NS2	2018	International Journal of Scientific Research in Network Security and Communication 6, 4, 1 - 6	India
00001-55241	A Case Study on Brain Tumor Segmentation Using Content based Imaging	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 1 - 5	India
00001-55253	Iterative Vessel Segmentation with Stopping Criterion for Fundus Imagery	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 6 - 12	India
00001-55264	SAR Image Classification by Wavelet Transform and Euclidean Distance with Shanon Index Measurement	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 13 - 17	India
00001-55275	Adaptive Vector Quantization for Improved Coding Efficiency	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 18 - 22	India
00001-55282	Input Analysis for Accreditation Prediction in Higher Education Sector by Using Gradient Boosting Algorithm	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 23 - 27	India
00001-55291	Wireless Mesh Network Link Failure Issues and Challenges: A Survey	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 28 - 36	India
00001-55302	Comprehensive Approach in Studying the Behaviour of Contiki RPL Protocol in Diverse Data Transmission Ranges	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 37 - 42	India
00001-55309	A Survey on Load Balancing Schemes in RPL based Internet of Things	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 43 - 49	India
00001-55319	A Nature Inspired Optimal Path Finding Algorithm to Mitigate Congestion in WSNs	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 50 - 57	India
00001-55331	Separating Moving Objects from Stationary Background using Dynamic Mode Decomposition	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 58 - 64	India
00001-55337	Realiability Assessment Model to Estimate Quality of the Effective E-Procurement Process in Adoption	2018	International Journal of Scientific Research in Network Security and Communication 6, 3, 65 - 68	India
